

**3. Statement of your professional objectives for the program and certification(s) if any.**

I plan on using my certification to teach at a higher education institution and possibly applying for any positions that open up dealing with or related to director of technology at my current school or nearby districts.

**4. Experiences other than formal course work necessary or desired to achieve your objectives.**

I have a high interest in technology and the way of the future. I have developed many 21<sup>st</sup> century skills that will help me conquer any challenges that I will encounter. I am also very tech savvy and am extremely interested in the web 2.0 tools.

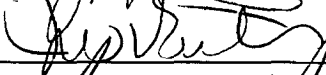

**5. Check the box that corresponds to the method of final existing examination that will document that you have achieved your professional objectives. Enter the anticipated Semester and Year for the selected method and initial the form in the spaces provided.**
